

Vacancy:

Wheelchair Technologist

Ref: 2025 – 21

Our story

Comprehensive Community Based Rehabilitation in Tanzania (CCBRT) aims to be the preferred provider of accessible specialized health services in Africa and serves - as healthcare social enterprise and through development programmes - the community and the most vulnerable. Committed to prevent lifelong disabilities wherever possible, CCBRT is also engaged in extensive maternal and newborn healthcare (MNHC) activities including obstetric fistula repairs. Since 2005, CCBRT also provides community and centre based rehabilitation services from the “House of Hope” in Moshi, promoting inclusive development at all levels.
